GETTING STARTED IN CANNABIS BANKING

TRANSPARENT, COMPLIANT SOLUTIONS POWERED BY LEAFLINK

HOW TO GET STARTED

STEP-BY-STEP

1 Confirm Eligibility

A. Hold a valid, active state-issued cannabis license.
B. Provide basic business info (ownership structure, EIN, licenses).

2 Apply Online (Quick & Simple)

A. Visit leaflink.com/banking or leaflink.com/banking/how-to-apply.
B. Register and accept terms/fees (no long-term commitment).
C. Complete the application—takes minutes; focuses on your business details.
D. Existing LeafLink users: Log in for faster integration.

3 Account Setup & Onboarding

A. Get approved (streamlined for cannabis operators).
B. Open FDIC-insured checking accounts and payment processing.
C. Set up cash management tools (e.g., smart safes, cash pickup).
D. Integrate with LeafLink marketplace for automated workflows.

4 Start Banking with Confidence

A. Use for daily operations: payments, receipts, compliance reporting.
B. Access support from cannabis-savvy experts (no traditional bank friction).
C. Scale as your business grows—reliable, here to stay.

WHY CHOOSE DAMA?

Compliant & Transparent:

Built to meet current banking and cannabis regulations with audit trails, monitoring, and full visibility into transactions—no surprises.

Secure & Reliable:

FDIC-insured accounts through regulated partners; no risk of sudden closures; over $3B in processed transactions and coverage in 50%+ of legal states.

Fast & Flexible:

ACH, wire, check payments; cash pickup options; on-site smart safes for risk reduction.

Cost-Effective:

No monthly maintenance fees through 2025 for new accounts; transparent pricing with no hidden surprises.
